The Childcare and Parent Services (CAPS) program is designed to help families afford safe quality childcare.

The Provider shall charge the same rates to families subsidized by CAPS as it charges other consumers and shall provide documentation, upon request, to demonstrate compliance with this requirement. CAPS does not pay for transportation fees, book fees or extracurricular fees (such as field trips) that may be charged over the provider's rates. Furthermore, the provider shall not bill, and CAPS will not pay for childcare during any period of time when another federal or state program, including but not limited to, Head Start or Georgia's Pre-K, has paid for the child's care. **CAPS rate changes may not coincide with your rate changes. Please adjust accordingly. Completion of this form does not guarantee payment as there must be a coinciding active childcare scholarship on file before payment can be made.**
